Exhibition Experience Guide

ABOUT THE EXHIBITION

Over 50 artists living within a 50-mile radius of the Lehigh Valley submitted artwork to the fourth-annual juried exhibition, *Compendium: Chroma*. This year's exhibition was inspired by and features Pantone's Colors of the Year from the year 2010-2020.

Choose a work of art, and list 3 shapes you see:

Which work of art stands out to you, and list three details you notice:

Find a work of art with mostly cool colors (these are colors like, blue, green, and purple):

Find a work of art with mostly warm colors (these are colors like red, yellow, and orange):

Find a watercolor painting:

Look for a work of art that has flowers in it:

Find a portrait, which is a work of art that has a person's face or body in it.

ART-MAKING PROJECT

GET CREATIVE!

We present a different theme each day for a period of two weeks. Using materials at hand, draw, paint, or illustrate your interpretation of the themes using inspiration from the Compendium exhibition.
