

Compendium: Chroma Scavenger Hunt

Visit our virtual exhibition *Compendium: Chroma—Color through the Decade* at <https://www.behance.net/gallery/93952995/Compendium-Chroma-Color-through-the-decade>, or by visiting ArtsQuest@Home, and finding the link for the exhibition under Visual Arts.

Each work in this exhibition was inspired by one of ten Pantone “Colors of the Year.” Use this scavenger hunt to discover more about the exhibition! Write down the artist name or the title of the works of art you found. Enjoy exploring and learning more about the artists and their art!

Find a work of art with mostly cool colors (these are colors like, blue, green, and purple):

❖ _____

Find a work of art with mostly warm colors (these are colors like red, yellow, and orange):

❖ _____

Look for a work of art that has flowers in it:

❖ _____

Choose a work of art, and list 3 shapes you see:

❖ Art piece: _____

❖ Shapes: _____

Find a watercolor painting:

❖ _____

Which work of art stands out to you, and list three details you notice:

❖ Art piece: _____

❖ _____

❖ _____

❖ _____

Do you think the artwork you chose means something or tells a story? Why or why not?

❖ _____

Find a *portrait*, which is a work of art that has a person’s face or body in it.

❖ _____

Look for an *abstract* work of art, which is art that does not try to show real life accurately. Often, it will just be colors and shapes.

Find a work of art by Banana Factory Resident Artist, Lauren Kuhns.

For some extra fun:

- ❖ Make a Venn Diagram to compare and contrast two of your favorite artworks in the exhibition.
- ❖ Make a bar graph showing how many artworks were inspired by each of the colors of the rainbow.
- ❖ Make your own artwork inspired by your favorite color or colors!

Feeling inspired?

Recreate one of the works of art and tag us on Instagram #bfquarantineartclub @bananafactory_pa!
