

AQC Temperature Checks – effective immediately

Beginning Wednesday, November 11th, all patrons coming into the ArtsQuest Center will undergo a quick temperature check.

- ArtsQuest's first priority has been, is, and will always be the safety of our patrons and staff.
 - We continue to remain in constant contact with local and state authorities regarding the pandemic.
 - We've maintained a firm mask policy that has been welcomed with open arms by the patrons who have been visiting us since programming resumed in the summer.
 - We've been part of the nationwide CinemaSafe campaign in reopening our Frank Banko Alehouse Cinemas in late August.

- With the bulk of our programming moving indoors for the winter months, these temperature checks are being added to provide an extra layer of comfort to our patrons and staff.
 - These checks will occur inside the front doors of the ArtsQuest Center as you enter.
 - Patrons whose readings are 100.4 or above will be given a second check from another thermometer.
 - Patrons must register a temperature below 100.4 to gain access to the ArtsQuest Center.

- We strongly encourage patrons to self-screen their temperatures before coming to the ArtsQuest Center.
 - If you have a fever please stay home and contact our box office about options regarding your purchase.
